INTEGRATIVE PSYCHIATRY
AUSTIN

HOW WE CAN HELP YOUR PATIENT

Ongoing Psychiatric Care • Second Opinions On Complex Cases • Ketamine-Assisted Psychotherapy

Qazi Javed, MD

Double board-certified holistic and integrative psychiatrist with nearly three decades of experience in medicine, weaving science, spirituality, and soul-based healing into the heart of Integrative Psychiatry-Austin.

Sara Klopp, PA-C

Nationally Certified Physician Assistant with two decades of medical experience and a grounded, integrative approach. Her presence brings depth and knowledgable care to Integrative Psychiatry-Austin.

Coby Phillips, PA-C

Nationally Certified Physician Assistant who brings two decades of clinical experience and a deep calling to healing. She brings expertise in Ketamine assisted care and compassionate care to Integrative Psychiatry-Austin.

INTEGRATIVE PSYCHIATRY
AUSTIN

THERAPY& INTEGRATIVE SUPPORT

Psychotherapy • Ketamine-Assisted Psychotherapy • Health Coaching

Kay Terrell, LPC-S

Licensed professional counselor and experienced ketamine-assisted psychotherapist integrating psychotherapy, hypnotherapy, and Reiki. Her approach brings together clinical skill with experiential and mind-body approaches to healing.

Tim Stacey, LPC-S

Compassionate, experienced therapist specializing in trauma, anxiety, and ketamine-assisted psychotherapy. He combines clinical expertise with a grounded, nonjudgmental presence, helping clients feel deeply seen while creating space for healing and transformation.

Rhonda Griffin, LPC

Couples and trauma therapist with over 30 years of experience. She integrates systemic, somatic, and psychedelic approaches, including ketamine-assisted psychotherapy, to help individuals and couples reconnect and heal deeply rooted relational wounds.

Allie Maynard -Health Coach

ICF-certified, trauma-informed coach integrating coaching, Reiki, mindfulness, and nervous-system regulation. She helps clients release old patterns, strengthen self-trust, and reconnect with themselves through a holistic, supportive approach.
